Brief Description of Project/Expectations/Time commitment: (this is intended to be an agreement between student and project advisor, so please be in agreement on the details below.)

Student’s Signature_________________________________________    Date ___________________
Project Advisor’s Signature__________________________________    Date ___________________
*CS Project Advisor’s Signature _______________________________    Date ___________________
 (*If you are working with someone outside of CS but are enrolling under a CS faculty member’s section, please have both sign.)

Note:
1. Projects must be taken for at least 3 credits and for no more than 6 credits.
2. All projects must be taken for a letter grade.
3. Make sure you enroll in the correct course section (this will be the section associated with your project advisor’s name).
   If you are unsure how to enroll, please ask the M.Eng Office; this will prevent hassles later.
4. Your project will be considered complete when all of the following steps have been taken:
   • You submit any required documentation to your project advisor. (as determined by the advisor.)
   • You submit an electronic copy (PDF) of both your report to the CS M.Eng Office.
   • You receive a grade.

Please return this form to the CS M.Eng Office 110D Gates Hall before March 23, 2016
Completing and submitting this form is not a replacement for enrolling in your project.
